

Subcontractor and Supplier Partnership Event

In support of the 2020 JOC

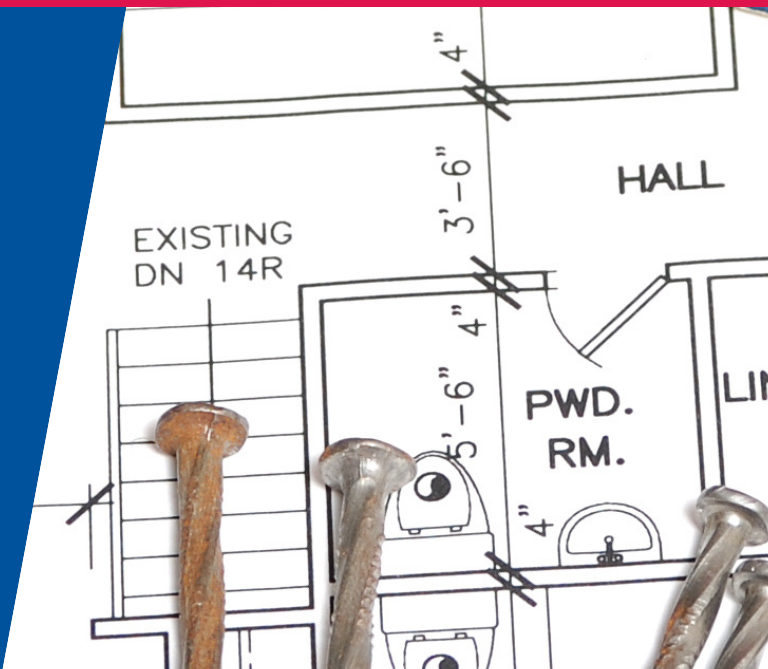

The Financial Services Department and the Small and Minority Business Resources Department (SMBR) are hosting an in-person event for our certified subcontractors and suppliers who perform Job Order Contract related work for our 2020 Job Order Contract (JOC). JOC work is a great opportunity to be a part of a large dollar amount contract that spans multiple years, with regular, consistent work.
